

# Until The Last Minute

Júníus Meyvant

Wait a minute  
Have you lost your will?  
You must keep holding on  
Until the last minute  
Wait a minute  
Have you lost your thrill?  
You must keep moving on  
Until you hit it

Ignite the flame in your eyes  
Gotta find peace of mind  
Steady to drive  
Try to walk in my shoes  
Once fitted  
Be ready to lose

Wait a minute  
Have you lost your will?  
You must keep holding on  
Until the last minute  
Wait a minute  
Have you lost your thrill?  
You must keep moving on  
Until you hit it

Find a song in your size  
Place of peace of mind  
Steady to thrive  
Try to walk in my shoes  
Fire and brimstone  
Ain't always the news

Re-spark the flame in your eyes  
Go find peace of mind  
Steady to thrive  
Now walk in my shoes  
Fire and brimstone  
Ain't always the news

Wait a minute  
Have you lost your will?  
You must keep holding on  
Until the last minute  
Wait a minute  
Have you lost your thrill?  
You must keep moving on  
Until you hit it
