X-Panding Limits

Junkie XL

Junkie expanding limits
Funky integration
Record needle shooting doses host like Moses party population
Peeps catch the beat frantic poors and poor
Strobe lights on polygon
Hallucination gives you more and
Crazy moods stretch the grooves
For the flock no amuck
Superduper 'hi-tec' rock
For the soft knock or hard knock
Keep a few bucks taxi cab
After shock
Folows the drug
Marathon stretchin' on
'Till the fever pitch drums
Junkie expands his limits
Junkie expands his limits
Junkie expands his limits
Junkie expands his limits

Show stops, door pops, crow flows out
Bouncers catch fat nuts
Nightclubbin' flock
Steppin' slo-mo like sand box
Got these souls rollin'
Straning like ships and shoals
Satiated, blatant, tainted
Now sanity shows holes
Sleep overcome the ones
That followed the God of fun
Honey buns with bums get the watchful eye stunned
Teens get the spirit
Exchanging digits from sky pagers
Dipsomnia never sane to ya
The lust is major
Catch brothers on the rebound for skins onthe skeez route
Those with wheels, fleshy feels, surely got clout
What it's all about
Stretching the funky addiction
Line to line, minds unwind with the cocain dissolution
Syringe tricks the kick in private seclusion
Chase the rush it was tough to loose the kaleidoscopic illusion
Stretch the limit Kill the cynic in the human shell
Feel the funky never flunky in the Junkie Xl
Junkie expands his limits
Junkie expands his limits
Junkie expands his limits
Junkie expands his limits

Junkie expands his limits
