

Like déjà vu

It's creeping up on you again, and again, and again, and again,  
and again, and again, and again, and again, and again

Like déjà vu

It's creeping up on you again

And I can feel it too

It takes from me, it steals our youth now

And all the devil's in the details

Superficial, she's so caught up in the retail

I should really call my mama, know she'd mean well

But I don't really wanna tell her that I need help

I ain't sleep in the past three days (Oh)

You ain't meet none of my past faces

Built it up, now it's burning away (Burning away)

I guess that's what you get being patient (Oh, oh)

I hold my breath but I don't suffocate (Don't suffocate)

Gave you the world, you threw it all away (Threw it away)

When all I wanted was the time of day (The time of day)

All I wanted was a final say

Like déjà vu

Creeping up on you again

And I can feel it too

It takes from me, it steals our youth now

And all the devil's in the details

Superficial, she's so caught up in the retail

I should really call my mama, know she'd mean well

But I don't really wanna tell her that I need-, tell her, tell  
her that I need help

Like déjà vu, like déjà vu, like déjà vu, like déjà-
