

## falling in love

juno

We're walking 'round the fucking city like we own the place  
Baby, we own the place (Oh-woah-woah)  
And you tell your friends that we're just friends but that's just not  
the case  
No, that's just not the case (Oh-woah)

'Cause what am I supposed to do  
When all my skies turned blue for you? (I'm talking 'bout)

I feel a spark when we touch, hope I'm not doing too much  
But I think I'm falling in love, I think I'm falling in love  
'Cause one kiss is never enough and I miss you more every month  
I think I'm falling in love, I think I'm falling in love

And I think I got you out my head until I close my eyes (Oh-woah)  
I'm just another guy you don't want in the storyline  
I tell myself to stay away, it happens every time (Oh-woah)  
I think I'm falling in love, I think I'm falling in love

It's complicated, I can stop if you want me to  
Do you want me to? (Oh-woah-woah)  
But I'd give you everything I own if you wanted me to  
I'd do right by you (Oh-woah)

I'd play the fool for this shit  
I can't put two and two together, I'm so stupid for this  
But you make me feel like no one else, I think I'm losing my shit  
And when my life's falling apart, you're the glue for this shit  
Nothing you couldn't fix (I'm talking 'bout)

I feel a spark when we touch, hope I'm not doing too much  
But I think I'm falling in love, I think I'm falling in love  
'Cause one kiss is never enough and I miss you more every month  
I think I'm falling in love, I think I'm falling in love  
I feel a spark when we touch, hope I'm not doing too much  
But I think I'm falling in love, I think I'm falling in love  
'Cause one kiss is never enough and I miss you more every month  
I think I'm falling in love, I think I'm falling in love

And I think I got you out my head until I close my eyes (Oh-woah)  
I'm just another guy you don't want in the storyline  
I tell myself to stay away, it happens every time (Oh-woah)  
I think I'm falling in love, I think I'm falling in love

'Cause what am I supposed to do  
When all my skies turned blue for you?
