

One step, two steps, and now we're dancing (Oh)  
My mother taught me don't believe in second chances (Oh, oh)  
You look so pretty when you're lying through your teeth (Oh)  
You can smile for the camera (Oh, oh)  
Prima donna masterpiece, oh (Oh, woah)  
You're calculating every option (Uh, uh)  
Watching and stalking 'til (Shoot)  
You find a target (Oh, oh)  
Playing the prey was never something that I wanted, but (Oh)  
You're who I wanted, so I guess I've lost it (Oh, woah-woah, woah)

Come on, take another step, don't move too slow  
Brand new car, tell me where you wanna go  
Said you don't trust me, baby girl, I know, I know, I know  
Need two more shots 'cause I'm on one  
I need a right way out, don't got one  
Prima donna in a dress, I want ya  
No one else in the room, it's just us (Oh, woah)  
Come on, take another step, don't move too slow  
Brand new car, tell me where you wanna go  
Said you don't trust me, baby girl, I know, I know, I know  
Need two more shots 'cause I'm on one  
I need a right way out, don't got one  
Prima donna in a dress, I want ya  
No one else in the room, it's just us

In your town for the night, I'll slide  
And your love ain't kind to mine  
But I can't get enough of  
Waitin' 'round is a waste of time  
Slow up, speed down (we speed down)  
Everybody want a piece now (oh)  
Slide through by the week out (week out)  
But I can't tell what we about, uh  
New friends try to change your mind  
New man, he don't do it right  
Who can? Girl, you know the truth  
Two step, I put you on a flight  
Time fly when I'm not at home  
Know you can't bare to be alone  
Flying back and forth for the taste  
Like, ain't it so much fun when no one knows? (Oh, woah)

Come on, take another step, don't move too slow  
Brand new car, tell me where you wanna go  
Said you don't trust me, baby girl, I know, I know, I know  
Need two more shots 'cause I'm on one (Oh, woah)

Prima donna in a dress, I want ya (Oh, woah, oh-oh)  
No one else in the room, it's just us
