Put a hole in the Earth
Just to feel like I'm alive (You're so dumb)
Throw a party for no one
Just to see if you'd arrive
Trading stories in your driveway
Feels like twenty five to life (I miss you)
You can shut me up if you want
I talk too much sometimes

I wonder, is this all I'll ever be?
Writing stories about people that don't want to hear from me
Sometimes I wonder, do you see the worst in me?
Am I just like all of those people that left oh-so suddenly?
(Put a hole in the Earth)

Putting cigs to the skin
Sometimes I don't feel alive
I don't think I could explain it
Guess I never really tried
I don't wanna make you angry
I'm so sorry that I cried
You can cut me off if you want
I'd hate me too sometimes

I wonder, is this all I'll ever be?
Writing stories about people that don't want to hear from me
Sometimes I wonder, do you see the worst in me?
Am I just like all of those people that left oh-so suddenly?

Put a hole in the Earth
(Put a hole in the Earth)
Just to feel like I'm alive
(Do you feel like you're alive?)
Throw a party for no one
(No one, no one)
Just to see if you'd arrive
(I just wanted you there)
Trading stories in your driveway
(You took my life)
Feels like twenty five to life
(Please don't ever give it back)
You can shut me up if you want
I talk too much sometimes
(I'd rather put a hole in the Earth)

I lost, and I lost, and I loved you
And I pray to a God that just won't talk back
(I'd rather put a hole in the Earth)
I wanted you, I wanted you to want me
Now I pray to a God that you don't come back
(I'd rather put a hole in the Earth)
I feel so alone and it haunts me
I got what I want, but it all falls flat
(I don't feel like I'm alive)
I wanted you, I wanted you to want me

I wanted you, I wanted you to want me back
(I'd rather put a hole in the Earth)

I want you, I want you, I want you
I want you, I want you to want me
I want you, I want you to want me
I want you, I want you, I want you
I want you, I want you, I want you
I want you, I want you to want me
I want you, I want you to want me
