And so it begins... coutdown, can you think of a reason why you so love it downtown? I met you in the middle of the scandalous town. It's a miracle you're walking aroud. Countdown in a dark town, and so it begins... It started with a minute of your favorite sound. A sexy little secret of a radio song I wish it wasn't floating around. Countdown to a tight sound, and so it begins... Can you think of a reason why it's your favorite town it caught you with your finger on a video girl America is watching you now Countdown to a night gown Hey now, wake up! It's a beatiful day Hey now, look up! You're always turning away. Are you falling asleep. Hey now, wake up! Are you looking away? Hey now, look up! Are you watching? It's a brand new day and you shouldn't be fading away. And so it begins.. Countdown, it's the time of the season when you're a man around town. Imagination taking you where no one else can. Floating on sins that surround. Countdown in a dark town, and so it begins.. Hey now, wake up! It's a beatiful day Hey now, look up! You're always turning away. Are you falling asleep. Hey now, wake up! Are you looking away? Hey now, look up! Are you watching? It's a brand new day and you shouldn't be fading away. And so it begins... coutdown, can you think of a reason why you so love it downtown? I met you in the middle of the scandalous town. It's a miracle you're walking aroud. Countdown in a dark town, and so it begins... It started with a minute of your favorite sound. A sexy little secret of a radio song I wish it wasn't floating around.

Countdown to a tight sound, and so it begins...

Are you falling asleep.
Hey now, wake up!
Are you looking away?
Hey now, look up!
Are you watching?
It's a brand new day and you shouldn't be fading away.

And so it begins..
