

# Angel's Wings

Jupiter

You are to blame  
Why don't you feel shame?  
Worse than the worst  
You fucking beast  
Destruction, destroy by fire  
Burn in hell, I can't take it anymore

Back stabbing  
I walk while crying  
That won't get you off the hook  
Now I can tell you, we read that book  
Even the brat couldn't say such a thing

Die...you deserve to die  
Die... Fuck yourself

I'm standing in the pouring rain  
I wish I could walk again  
I was staring at the flames of burning  
But still it hurts my feelings

I can't dispel what you said  
But we start all over again  
Seek a light  
In the dark night  
Even if it all goes wrong

I know it's over, so I stay away  
I don't want you back  
I want it that way  
And it's not over, we sail away  
It's time to go  
I'm going my way  
Wings of angel

You die..die..  
you deserve to die  
You die..die..  
Oh, fuck yourself

I know it's over, so stay away  
I don't want you back  
I want it that way  
And it's not over, we sail away  
It's time to go  
I'm going my way

I know ..

And it's not over, we sail away  
It's time to go  
No one can stop us  
Eternal...  
Wings of angel

You die..die..  
you deserve to die

You die..die..  
Oh, fuck yourself
