

Blessing of the Future

Jupiter

I believe to revive in the future

Ah, kagayaku asu wa mitsumete
Toki ni utawareta megumi
Mamorinuku tame ni

Kaze ni nagasarete afuredasu omoi
Yasashisa ni fure itoshisa wo
Mou tebanashi wa shinai

Yume nara samenaide
Kioku tadotte
Fukai negai wo yobiokoseba
Mou ichido terasu
Michi wo aruite kagayaku

I prayed to exist in this moment
Mou furimuku koto wa shinai
Kage ga yurameite kieru
Yami ga kirisakare

Yozora ni samayou kagayakeru hoshi ni
Negai wo komete chikai au
Ah, anata ni sasageru

Kanashimi dakishimete
Tsuyoku ikireba
Hito wa yasashiku mamoreru kara
Shiji au kokoro
Ai ga sekai wo tsutsunde

Wasure wa shinai, ano basho wo
For the Blessing of the Future

Yume nara samenaide
Kioku tadotte
Fukai negai wo yobiokoseba
Mou ichido terasu
Michi wo anata to futari de

Kono mama itsumademo
Yume ni ikirena
Toki ga michibiku kami no megumi
Shinjiteru kokoro
Ai ga mirai wo tsutsunde
