

## Guilty as Sin

Jupiter

Trapped inside this tiny birdcage, denied every thought  
Punishments robbing my passion, I'm just a shell

Giving up I'm lost in my despair  
I keep questioning my very being

Chains of lies and more betrayal, destroys emotions  
In a world run by the devil, I can't believe

I don't know why I was given breath  
Yet I still must go find the answer  
No matter what

□□□□□□□□□□ No desire  
□□□□□□□□□□  
□□□□□□□□□□ Be judged - Guilty as Sin  
□□□□□□□□□□  
Nightmares won't let go of me

I don't know why I was given breath  
Yet I still must go find the answer  
No matter what

Break down the wall

□□□□□□□□□□ Live, be proud  
□□□□□□□□□□  
□□□□□□□□□□ Have faith - Do not fear  
□□□□□□□□□□  
Welcome whatever may come

Live the pain, and keep the struggle alive
