I woke up at the moment
Rise from within
On your path towards ultimate power

The life and times
Death the ultimate
Reality death the ultimate reason to live
DDDDDDDDDDDD...

Killing field
Don't run away
Will die
Nobody lives forever

I woke up to find myself
Lying down on dirt
You couldn't take the last Battle

DDDDDD DDDDD

The life and times
Death the ultimate
Reality death the ultimate reason to live
DDDDDDDDDDDDD...

Killing field
Don't run away
Will die
Nobody lives forever
