I still can feel you, You are so far away
I'm shedding tears of sadness
I'm still searching for you When the night is over
I wish that you would stay with me ...

ashioto ga utsusu silhouette kare ta hazu no namida ni nure
yure te wa kieru kage ni omoi ga tsunoru

Remind myself kizuato sae kishitsu ga kokoro o kazaru keredo?
kono mama toki o tome te kioku no naka ni tojikome ta

kanashimi ga kieru made dakishimesase te
fukai yoru no nemuri ga akeru made
itsu made mo wasure nai aishi ta hito yo
kokorokara arigatou sayonara

tesaguri de nigirishime ta koware sou na garasu no slope
katamuku tsuki ga terasu asu o mitsume te

Believe yourself toumawari demo itsuka wa jibun o hokoreru you

namida no ato o koe te haruka na yume no kanata e to

kanashimi ga kieru made dakishime te i te

I still can feel you, You are so far away
mouichido ae ta nara ba
I'll never let you go again yozora ni negai

I still can feel you, You are so far away
I'm shedding tears of sadness
There are words I want to say
Wish you will never change
