Yeah

Posers, all that I'm seeing are posers
Posters, RIP put 'em on posters

Hold up, stick up your arms this a hold up
Hold up, this is a stick up
I know the bro kept engine running
I put some miles on this earth, smiles on this earth
Foul what this earth do to child on this earth
Wild since his birth
Build or destroy
Vows that he learned, how to reverse?
Older cousin teach him math then he serve
Think infinite how he last in these words
Independent, all he has is his word
And that shit is all I need, all I need
Any day could be your last, is it worth it?
That's just how I see it, how I see it
Let me roll my weed, sow my seed
That's all I need
All I needed

Posers, all that I'm seeing are posers
Posters, RIP put 'em on posters
Posers, all that I'm seeing are posers
Posters, RIP put 'em on posters (Hey)

Dear God, I say this off the liq'
You saved me from the dramatized homicide script
Letting a tear fall as I pen
If I let go, I said it all here
Bloody knuckles tryna' break away a brick
From the walls that I built tryna' hold it in
I recall on Jefferson & Milton
Church service ended, It spilled out to the trenches
All I was seeing was your word on my niggas
All I was feeling was blessed
From the crown of my head to the soul in my steps
From the corners we bled, from the alley I crept
I been tryna change the scenery we had to accept
From the start, we been doomed from the womb
Mother fuck, I'm a son, I'm a brother, A human
Assuming I'm not get you shot on the news quick
I'm not a killer but don't push me, I'll lose it (Ha)
It's always ways more than the music (Ha, ha, ha)
Far from the boy that you used to grow with
All that I needed was a moment
That shit is all I need, all I need
All that I needed was atonement (Ha)
All your father needed was Trojan (Ha)
How I'm coming, kick door, focus
Word getting out on the street
That's all I needed

Posers, all that I'm seeing are posers
Posters, RIP put 'em on posters
