

Bad Boy

Just Friends

Bad boy, you are just a bad boy

You are just a bad boy
Lovin' you's a sad choice
All you do is make me cry
You never call, I'm weeping
Playground yea you teasin'
All you do is make me cry

You are just a bad boy

Lookin' at my phone bout to hit a double text
How you feelin' something wrong that I can't connect?
Pluckin' on my petals like a flower
You said you'd call, I've been waitin' like an hour
Down in the dirt
Down in the dirt
I'm tryna tell you somethin
Drank up the worm
Drank up the what?
Feelings I'm still confrontin'
Bad boy, bad things, can't feel, can't think
Waitin on you
Sad choice just waitin on you
Destroyed just waitin on you

You are just a bad boy
Lovin' you's a sad choice
All you do is make me cry
You never call, I'm weeping
Playground yea you teasin'
All you do is make me cry
You are just a bad boy

Lovin' you's a sad choice
All you do is make me cry
You never call, I'm weeping
Playground yea you teasin'
All you do is make me cry

Talking to me nice but it cuts real deep
Used to facetime every night and now I just sleep
I used to love the way you talked to me
I used to wanna be your everything

Stayed up all night
Stayed up all night
Took your advice
Took your advice
Rollin' the dice
Rollin' the dice
Phone's off I lied
Phone's off I lied

Fuck off I'm fine
Fuck off I'm fine
Don't bang my line

Don't bang my line
Don't text me, aight?
Don't text me, aight?
Bad boy, but I play nice

Lada lada ladidadidada
You're a bad, bad boy
You're a liar and a cheater
Middle name is pumpkin eater and you take me for your fool
For a time you lit my fire
Now I see your love expired
Feeling stuck like in detention after school
Ooh, what I'm s'posed to do (with you)
No matter how much I beg
You don't change a damn thing
But I'm still in love with you, babe
And I can't explain it (I can't explain it)
Everybody told me you were hopeless (hopeless)
But I didn't wanna believe (I didn't wanna believe)
Bad boy, just waitin on you
Come home, just waitin on you
Hoping you'll come back to me
But you are just a bad boy

You are just a bad boy
Lovin' you's a sad choice
All you do is make me cry
You never call, I'm weeping
Playground yea you teasin'
All you do is make me cry
You are just a bad boy
Lovin' you's a sad choice
All you do is make me cry
You never call, I'm weeping
Playground yea you teasin'
All you do is make me cry
