

Big Money Power Music

Just Friends

Look at me driving with my seat way back
A big smile on my face and I know they hate to see that
I've been working with my head down like I know I should
Feels good, baby, oh it feels so good

I've been feeling like a star take a look at me
Ready for my close ups I'm talking movie screens
I'm talking big dreams, I wanna sell out
Funny how you wanna eat every time there's food around

Look at me driving with my seat way back
Big smile on my face, yea, I know they hate to see that
I've been working with my head down like I know I should
Feels good, baby, oh it feels so good

Ain't nobody speakin' ill on me
I turn my haters into wannabes
I spend my mind on my money and my grind
I ain't worried bout what's yours, I'm just out here chasing mine, ya
Haha, and you know I really be about it
B-R-O-N-D and you could come and see about it
These suckas swarmin' to my hive, but
I only keep the real ones by my side, money

Look at me driving with my seat way back
Big smile on my face, yea, I know they hate to see that
I've been working with my head down like I know I should
Feels good, baby, oh it feels so good

Feels good, baby, oh it feels so good

Smile real big you can see my teeth
Speakers in the back rollin' up on your street
Take a lifetime to shine as bright as me
211, it's a robbery

Don't stop, keep going
No sleep, keep rolling
Gotta get to the next show and it's getting late

Don't stop, don't stop
Don't stop, don't stop
Don't stop, don't stop
Don't stop, don't stop...

Don't stop, don't stop
Don't stop, don't stop
Don't stop, don't stop
Don't stop, don't stop...
