

## Get Down

Just Friends

Can I get down? Get on down  
Can I get down? Get on down  
Can I get down? Get on down  
Can I get down? Get on down

Ring the bell  
Hotter than Hell  
Just Friends motherfucker can't you tell?

Get down, we done came with the get down  
Sittin here with the JF Crew, we the shit now  
Oh, you ain't heard? We the shit now  
Setting fire on that ass, we be sending pink slips out  
Yeah, we been sending pink slips out  
It's this they heard, we been poppin'  
They been hoppin' on the list now  
And we don't even got a list out  
Y'all don't need I.D. to come through and get down  
So won't you come through and get down  
It's been a long time coming, with the whole crew I spit now  
Yeah, we been running through the hits now  
So bring your father and your mama and your brother and your si  
s now  
'Cause we the fam and we gettin' down  
And we on top of the world (yeah!) so [?] and don't forget now  
Just make sure we don't forget how we turned all your phones to  
the world, it's Just Friends, wow!

Can I get down? Get on down  
(Won't you come through, come through and just get down)  
Can I get down? Get on down  
(Yo!)  
(Get down, won't you come through and get down)  
Can I get down? Get on down  
(Get down! Come through with the JF Crew and get down)  
Can I get down? Get on down  
(Get down, won't you come through and get down)
