

Move 2 Miami

Just Friends

Cause you don't have 2
Do anything that you don't want 2
Do anything that you don't have 2
Or be anywhere at all

Cause I'm 2 much 2
Handle, not only just 4 you
But every single person I meet 2
If you need 2
U can leave 2
I won't blame you

Take my eyes
Far away
So I can't cry another day
And sew them shut
To hide the pain of
Who and how we are 2day

I'm sorry
I couldn't be a stronger guy
4 you
In the end
And I'd apologize
A million times
4 you 2 be alright and just fine
