

## Ebb & Flow

Just Jack

My lady says just 10 more years  
Of this madness before we see the light  
And I dearly hope she's right  
Tigers won't play with lambs  
By my high step I see a day  
A day when they can

And the worst clowns are taking over...  
The circus now, they cuss us now  
But we can bring the curtain down  
Good and evil never die  
They just come and go, ebb and flow  
Sometimes leaving space for better days

Stay up  
Stay up

Yeah  
Better day  
Better day  
Yeah  
Better day  
Yeah  
Better day  
Yeah  
Yeah

Stay up  
Stay up

Yeah  
Yeah  
Yeah  
Yeah

Unreal  
Unreal  
Yeah  
Yeah, yeah, yeah, yeah  
Yeah

Stay up  
Stay up

Better day  
Better day  
Stay up  
Better day  
Better day
