

## Diss-A-Point

JUSTHIS

Y'all made your point  
And it makes me disciplined  
Y'all made your point  
And it makes me diss a...

I remember back then  
When Soulquarians doin' their own shit  
Me, studying Big and Pac  
Jigga and Nas in their prime  
When Ye chopped the beat  
And good kid Kendrick came in  
But when Macklemore won the Grammy

Yeah, we were all disappointed, man  
When Ye put the red hat on  
We were all disappointed, man  
When P. Diddy's allegations surfaced  
Disappointed, man
