

Slump (Interlude)

JUSTHIS

I realized something. I got it all wrong. I've been a total asshole

I've been saying that shit for years

Yeah, I know. I wasn't ready to listen, okay? But lying there with my whole life flashing in front of me, it came to me. I'm gonna change

You on some kind of narcotic?

No, I'm being serious. From this day forward... I'm going straight, brother. I am no more drinking. No more pills. I'm even gonna stop cigarettes. Pussy, cheating, hustling, stealing

Well, alright

I got a gift here, man. I gotta start using it. Use it for the good
