

Pop Dat Buckle

Justice Crew

I see your love
It's all around
I feel so high off
I can't even touch the ground
You're on my lips
You're on my mind
Baby, you make me want that thing time after time

So if you love me
You will never leave me
Put your arms around me
And let me lay you down
Oh if you love me
Tell me that you need me
Put your arms around me
And let me lay you down

If you open that buckle
If you open that buckle
If you open that
Let me lay you down
Open that buckle
If you open that buckle
If you open that buckle
If you open that
Let me lay you down
Open that buckle

You take me up (oh yeah)
Then we get down
The way your hips are moving baby round and round
I wanna scream and let it out
The way you get me feeling baby
Ain't no doubt (ain't no doubt)

So if you love me
You will never leave me
Put your arms around me
And let me lay you down
Oh if you love me
Tell me that you need me
Put your arms around me
And let me lay you down

If you open that buckle
If you open that buckle
If you open that
Let me lay you down
Open that buckle
If you open that buckle
If you open that buckle
If you open that
Let me lay you down
Open that buckle

I see the way that you move
You a bad one

It doesn't matter now
Where you come from
Cause shawty's showing love
Now you want some
Just lean back and pop that buckle
[x2]

So if you love me
You will never leave me
Put your arms around me
And let me lay you down
Oh if you love me
Tell me that you need me
Put your arms around me
And let me lay you down

If you open that buckle
If you open that buckle
If you open that
Let me lay you down
Open that buckle
If you open that buckle
If you open that buckle
If you open that
Let me lay you down
Open that buckle
[x2]

Oh if you love me
You will never leave me
Put your arms around me
And let me lay you down
