## On'n'On

## **Justice**

Before daybreak there were none And as it broke there was one From moon to sun it goes on 'n' on

The winter battle was won
The summer children were born
And so the story goes on 'n' on

Come woman if your life beats
Those we buried with the house keys
Smoke and feather where the fields are green
From here to eternity

Come woman on your own time Far, far, far from the virgin vine Rising out from the dead leaves Come back to me

Oh, sing your favorite song Left to tears Dreams it goes and then on

A vessel in the bloodline The 13th zodiac sign A stitch in time it goes on 'n' on

Someday the grapes will be wine And someday you will be mine And so the story goes on 'n' on

Come woman if your life beats
Those we buried with the house keys
Smoke and feather where the fields are green
From here to eternity

Come woman on your own time
Far, far, far from the virgin vine
Rising out from the dead leaves
Come back to me

Oh, sing your favorite song Left to tears Dreams it goes and then on

Oh, sing your favorite song Left to tears Dreams it goes and then on

That witch was burned in the ground Will someday come back around From dust to dust it goes on 'n' on Before daybreak there were none And as it broke there was one Tisterstrike about the ground on 'n' on
