

Bad Day

Justin Bieber

Am Em (2x)

Am **Em** **Am** **Em**
No I didn't think you would let me down that easy (oh no, girl)

Am **Em**
And I didn't think it was over

Am
Until you walked away

Em
Like it was nothing, baby

Am **Em**
And that moment was so hard for me to breathe

Am **Em**
'Cause you took away the biggest part of me, yeah

Am **Em**
Life is so unpredictable

Am **Em**
Never thought a love like yours could leave me all alone (oh no)

Am
Didn't waste any time

Em
Like you had already made up your mind

Am
No sympathy

Em
'Cause I was out of line (oh, yeah)

Am **Em** **Am** **Em**
But I didn't think you would let me down that easy (oh no, girl)

Am **Em**
And I didn't think it was over

Am
Until you walked away

Em
Like it was nothing, girl

Am **Em**
It was a bad day (hey, yeah, yeah)

Am
I know I was wrong

Em
But you could have said "goodbye" baby

Am
It was a bad day

Em **Am** **Em**
Now I'm like, "wow"

Am **Em**
It was a bad day
It was a bad day
It was a bad day
