1. Show you off, tonight I wanna show you off

   What you got, a billion could've never bought

   Cadd9

         Cadd9 G                        Am
R: Cause all I need is a beauty and a beat
                         F
   Who can make my life complete
        Cadd9  G                                Am
   It's all by you, when the music makes you move
                        F
   Baby do it like you do

   Cause...

2. Body rock, girl, I can feel your body rock
   Take a bow, you on the hottest ticket now

X: We gonna party like...

R: Cause all I need...

   Cadd9 – Am7 (repeat)
*: In time, ink lines, b*tches couldn't get on my incline
   World tour, it's mine, ten little letters, on a big sign
   Justin Bieber, you know imma hit 'em with the ether
   Buns out, wiener, but I gotta keep my eye out for Selene-er
   Beauty, beauty and the beast
   Beauty from the east, beautiful confessions of the priest
   Beast, beauty from the streets, we don't get deceased
   Every time a beauty on the beats
   (Yeah, yeah, yeah, Let's go, Let's go)
   (Body rock, girl, I wanna feel your body rock)

R: Cause all I need...
