

## Dotted Line

Justin Bieber

Oh, I could let you make your mistake  
On your own, oh  
You could learn the easy way  
You could go the hard way (Hard way)  
As long as you're around me (Me, around me)  
I know I'll be fine (Fine, fine, fire)  
And when you whisper (When)  
When you say my name (When you say my name)  
When you whisper (Whisper)  
When you say my name (When you say it, oh babe)  
I'll run to you, oh (Run, run, run, babe)  
Girl, I'll take my chances, oh-woah  
On your dotted line (Don't know what life)  
Oh, in my grave place I'll speak to you, baby (Speak to you, oh  
, yeah)  
When I lie awake (When I lie)  
I can't tell the way I see you down  
See the clock starts to break then I run, babe (Ooh)  
Oh, I don't just walk, I'm runnin' back to you, back to you (I'  
m runnin' back to you, ooh)  
I would walk a thousand miles, oh-oh, yes, I will  
Only to get to you now (Only to get to you, get to you, get to  
you)  
Oh, yeah  
And I would run a thousand miles (Thousand miles), oh, yes, I w  
ill  
To get to you (To get to you)  
Oh-oh (Ooh-oooh)  
With every fiber (With every fiber)  
Oh, just sign the dotted line (Ooh-woah)  
Oh, I'll take it slow (I'll take it slow, ooh)  
Goin' back to the basics, oh-oh
