

# Eye Candy

Justin Bieber

Eye candy, eye candy  
Eye candy, eye candy

Ooh, the first one's free, the second'll cost you, uh, yeah  
And if you look too close, you'll lose your mind  
And I know that there's somebody's daughter, oh, you know I do  
Nights like this don't happen all the time, uh  
Way that this is going, it just feels so right, oh yes, it does

So, baby, let's get focused  
Just enjoy the moment  
And I'll keep looking on and on and on and on, on

Eye candy, eye candy  
'Cause you taste so sweet, uh (Sweet)  
When you're looking at me, uh  
Baby, I wanna know why can't we eye candy  
Just a little bit closer and a little bit longer?  
I'm looking at you, eye candy, eye candy  
Can you look me in the eyes? Candy

Beauty is in the eye of the beholder (Mm)  
So I'ma hold you, baby  
You can't let a sweet thing pass you by (You by, mm)  
You could spread your wings and, uh, open up  
You know what I'm saying, baby?  
'Cause nights like this don't happen all the time, uh (Oh, oh, oh)  
The way that this is going, it just feels so right, oh yes, it does (Oh yes, it does)

So, baby, let's get focused  
Just enjoy the moment  
And I'll keep looking on and on and on and on, on

Eye candy, eye candy  
'Cause you taste so sweet, uh  
When you're looking at me, uh  
Baby, I wanna know why can't we eye candy?  
Just a little bit closer and a little bit longer (Just a little bit)  
I'm looking at you, eye candy, eye candy  
'Cause you taste so sweet, uh  
When you're looking at me, uh  
Baby, I wanna know why can't we eye candy?  
Just a little bit closer and a little bit longer  
I might need another piece  
Eye candy, eye candy

Can you look me in the eyes? Candy  
Oh, oh  
Baby, I wanna know, know, eye candy
