

# Get Me

Justin Bieber

Oh, you don't compare, don't fit in with 'em, do you get me?  
Judgin' by the way you open up, you get me  
Ooh, out of this world, hands on, baby, now you send me  
Lookin' at the way we're blendin' in, you get me

Ha-ha-ha, you get me  
Ha-ha-ha, you get me

See, you lookin' beyond the surface  
Can tell by the questions you're asking  
You got me low-key nervous  
It feels like we're on the same wave, yeah  
Never intended to relate, I mean, what are the chances?  
Never thought I'd connect with you, not in these circumstances

Oh, you don't compare, don't fit in with 'em, do you get me?  
Judgin' by the way you open up, you get me  
Ooh, out of this world, hands on, baby, now you send me  
Lookin' at the way we're blendin' in, you get me

Ha-ha-ha, you gettin' me  
Ha-ha-ha, you gettin' me

Ooh, there's so much chemistry  
Like a chemist how you finishin' my sentences  
In the center, no, we can't deny the synergy  
How 'bout reapin' all the benefits? Yeah  
Never intended to relate, I mean, what are the chances?  
Never thought I'd connect with you, not in these circumstances,  
no

Oh, you don't compare, don't fit in with 'em, do you get me?  
Judgin' by the way you open up, you get me (Yeah, you really get me, ooh, ooh)  
Ooh, out of this world, hands on, baby, now you send me (Ooh, that's why you send me)  
Lookin' at the way we're blendin' in, you get me (Ooh, you really get me)

Ha-ha-ha, you gettin' me (Oo-oo-oo-oo-oo-oo)  
Ha-ha-ha, you gettin' me (Ye-e-e-e-e-ah)

Oh, you get me, yeah  
You get me, yeah  
You get me, yeah  
You get me, yeah
