Youngblood thinks there's always tomorrow
I miss your touch on nights when I'm hollow
I know you crossed a bridge that I can't follow

Since the love that you left is all that I get
I want you to know that if I can't be close to you
I settle for the ghost of you
I miss you more than life (More than life)

And If you can't be next to me Your memory is ecstasy I miss you more than life I miss you more than life

Youngblood thinks there's always tomorrow (Woo)
I need more time but time can't be borrowed
I leave it all behind if I could follow

Since the love that you left is all that I get
I want you to know that if I can't be close to you
I'll settle for the ghost of you
I miss you more than life, yeah

And If you can't be next to me Your memory is ecstasy I miss you more than life I miss you more than life

Whoa, oh, oh-oh More than life Oh-oh

So if I can't get close to you I settle for the ghost of you I miss you more than life

And If you can't be next to me Your memory is ecstasy I miss you more than life I miss you more than life
