

# Madly In Love (Bigger Than Life)

Justin Bieber

Love is in the air  
Candles all around us  
There's no need to see, nothing, nothing  
Baby I'm yours, yours until forever  
Cause you know that I would never ever want this to change

It's all about the magic  
All about the madness in your eyes  
Madly in love, yeah  
It's all about the magic  
All about the madness in your eyes  
Madly in love  
Madly in love babe  
Madly in love  
(Madly in love)  
(Madly in love)  
(Madly in love)  
Madly in love  
(Madly in love)  
(Madly in love)  
(Madly in love)

Babe, you are the reason to breathe  
And babe, you know you're all that I need  
Remember when you took my hand  
And ran away (it was just us two babe)  
And wandered off to Chinatown  
Laughing 'bout nothing at all  
When I look into your eyes

It's all about the magic  
All about the madness in your eyes  
Madly in love, yeah  
It's all about the magic  
All about the madness in your eyes  
Madly in love  
Madly in love babe  
Madly in love  
(Madly in love)  
(Madly in love)  
(Madly in love)  
Madly in love  
(Madly in love)  
(Madly in love)  
(Madly in love)
