

# Mother In You

Justin Bieber

You opened your eyes  
That was when I knew  
Ooh, it would change me  
There's a beautiful world that's waiting for you  
And I vow in good faith  
To never let you down  
Here, now, always  
I'll be around

And I remember the moment, at 2 in the morning  
A sober reflection in you  
And you looked right through me like you really knew me  
So much of her coming through

Your mother in you, yeah-yeah, yeah-yeah (Yeah-yeah)  
Your mother in you, yeah-yeah, yeah-yeah (Yeah-yeah)  
Your mother in you, yeah-yeah, yeah-yeah (Yeah-yeah)  
Your mother in you, yeah-yeah, yeah-yeah

I ain't leaving  
It's half past 7, I had somewhere to be  
I guess I'm late, but I got a reason  
You're a beautiful world that's counting on me  
My smile, her grace  
Both of our hearts  
Oh, child, everyday  
You're the best part

And I remember the moment, at 2 in the morning  
A sober reflection in you  
And you looked right through me like you really knew me  
So much of her coming through

Your mother in you, yeah-yeah, yeah-yeah (Yeah-yeah)  
Your mother in you, yeah-yeah, yeah-yeah, yeah (Yeah-yeah)  
Your mother in you, yeah-yeah, yeah-yeah (Yeah-yeah)  
Your mother in you, yeah-yeah, yeah-yeah (Yeah-yeah)
