

# Need It

Justin Bieber

Baby, do you wanna know somethin'?  
Baby, do you feel emotional?  
Baby, you should let me know then  
Baby, I can let you know that  
Mm, I can tell what you like  
It's whatever when we're cruisin' in the fast lane  
Mm, I could put you on the map  
Cravin'

She ain't less to none  
Baby, I need it (Baby, I need it, I want it)  
I can tell we 'bout to get it goin'  
You cinnamon sugar  
Baby, I need it, babe (Need)  
(I need it, I want it bad)  
(Need)  
She ain't less to none (Need)  
(I need it, I want it bad)

Run it back now, bae (No)  
Throw on another Backwood haze (Mm-hmm)  
Why you wanna act so crazy? (So crazy)  
I need you relaxed now, babe (Oh)  
I just want a snack now, Lays (Lays)  
I just wanna act out, babe (Oh)  
Do it on my lap now, ayy (Mm-hmm)  
Cookin' on your back now, babe (Okay)  
Just bought a brand new Range (Oh-oh)  
Space in the backseat, babe (Oh-oh)  
Lookin' down by the lake (Oh-oh)  
I don't even see no shade (Oh-oh)  
Foggin' up the window pane (Oh-oh)  
Put it all on display (Uh)  
Baby

She ain't less to none  
Baby, I need it (Woah)  
I can tell we 'bout to get it goin' (Ooh-woah, oh)  
You cinnamon sugar (Oh, woah-woah)  
Baby, I need it, babe (Need)  
(I need it, I want it bad)  
(Need)  
She ain't less to none (Need)  
(I need it, I want it bad)

I want mine (Oh-oh)  
It's on time (Oh-oh)  
Oh, I want mine (Oh-oh)  
Oh, and it's all mine (All mine)  
It's all mine, yeah, it's all mine  
And it's on time (Oh-oh)  
Oh, and I want mine (Oh-oh)  
Oh, and it's all mine (Oh-oh)  
Yeah, it's all mine (Oh-oh)  
Yeah, it's all mine (Oh-oh)

She ain't less to none

Baby, I need it  
I can tell we 'bout to get it goin'  
You cinnamon sugar  
Baby, I need it, babe (Need)  
(I need it, I want it bad)  
(Need)  
She ain't less to none (Need)  
(I need it, I want it bad)
