

# Uh Oh

Justin Bieber

Oh oh oh  
You got me like oh oh oh oh oh oh  
Baby oh oh oh oh oh oh  
I really wasn't trying to fall in love  
Said I really wasn't trying to fall in love  
Got me like oh oh oh oh oh oh  
Baby oh oh oh oh oh oh  
I really wasn't trying to fall in love  
I swear I really wasn't trying to fall in love

Girl when we met you said we wasn't gone rush  
Just peed to and see where it takes us  
And then there was your smile, Yeah  
And everyday get closer and closer  
In my arms with your head on my shoulder  
Never wanna come down  
Cause girl I don't know when these feelings that I have for you  
Knock me off my balance can't explain  
All I know is  
One minute I'm walking and then next thing I know I'm falling

You got me like oh oh oh oh oh oh  
Baby oh oh oh oh oh oh  
I really wasn't trying to fall in love  
Said I really wasn't trying to fall in love  
Got me like oh oh oh oh oh oh  
Baby oh oh oh oh oh oh  
I really wasn't trying to fall in love  
I swear I really wasn't trying to fall in love

Holding hands and I feel so connective  
And every kiss, yeah, I feel so electric  
I never stood a chance  
You're an angel sent straight from heaven  
And through the phone I can feel your affection  
I hope this never ends  
Cause girl I don't know when these feelings that I have for you  
Knock me off my balance can't explain all I know is  
One minute I'm walking and then next thing I know I'm falling

You got me like oh oh oh oh oh oh  
Baby oh oh oh oh oh oh  
I really wasn't trying to fall in love  
Said I really wasn't trying to fall in love  
Got me like oh oh oh oh oh oh  
Baby oh oh oh oh oh oh  
I really wasn't trying to fall in love  
I swear I really wasn't trying to fall in love  
I really didn't mean to  
I really didn't mean to  
Didn't mean to fall in love  
Didn't mean to fall in love girl  
I really didn't mean to  
I really didn't mean to  
Didn't mean to fall in love

Girl you know you got me like oh oh oh oh oh oh

Baby oh oh oh oh oh oh  
I really wasn't trying to fall in love
