

Varsity Jacket

Justin Garner

So a half has too
Remember that we use to be begging her smooth
We roll the things, we were into dirty things
My new flame caught it in the new chase
So you remember what we use to do
Saw you and I want with you
Guess in the time, can we get to run again
Money and the bay, can I blow it all on you
Remember when we use to be ask as sweethearts
I will be the student, you will play the teacher
Let's just make it out and under the preature
When you'll catch me chase another cheerleader
I'll know what I have and never would leave you
Once you moved away you couldn't see me reaching
Get it right back and it's all on you
Feeling so good tonight now that we got it right
They can call us, call us the new classic
Cuz this love has been teach all from classic
Feeling so alone tonight
Girl you wander why
You can wear my varsity jacket,
Yeah you can wear my varsity jacket
Can I get how we use to run the whole time
You've lost in you
And then you look, look into my eyes
Then you love my smile
With every single thing you do
I was right there with you
Holding you down
When we turning? I was copping affair
Lay on my bed when you sleep in my T-shirt
Tell me all your dreams and we talk about future
And what it means for us
When you'll catch me chase another cheerleader
I'll know what I have and never would leave you
Once you moved away you couldn't see me reaching
Get it right back and it's all on you
Feeling so good tonight now that we got it right
They can call us, call us the new classic
Feeling so alone tonight
Girl you wander why
You can wear my varsity jacket, yeah you can wear my varsity
Only got his one time
Til we graduate the life
Before you walk out of my side
And I, I just want you to know
That I just want you to stay
To stay
Feeling so good tonight now that we got it right
They can call us, call us the new classic
Cuz this love has been teach all from classic
Feeling so alone tonight
Girl you wander why
You can wear my varsity jacket, yeah you can wear my varsity
You can wear my varsity jacket, varsity jacket
