

Inner Child

Justin Guarini

Who-oo-oo-ah, (yeah, yeah, yeah, yeah)
Yeah, yeah, ahh (yeah, yeah, yeah, yeah)
Oooh

You gave me touchin' and lovin'
And took me too the moon
You gave me feelin' and pleasure
Then left too soon
Oh baby,
Get ready
I'm comin' after you
Oh yeah

Cuz you make me feel (yeah, yeah, yeah, yeah)
Cuz you make me feel wild (yeah, yeah, yeah, yeah)
You touch my inner child (yeah, yeah, yeah, yeah)
You got me in the mood (yeah, yeah, yeah, yeah)
So come on, make your move
and free me

You make my wishes
As much as
Your kisses make me blue
I am lost up in heaven
Don't know what to do
Oh baby, get ready
I'm comin' into you
Oh yeah

Cuz you make me feel (yeah, yeah, yeah, yeah)
Cuz you make me feel wild (yeah, yeah, yeah, yeah)
You touch my inner child (yeah, yeah, yeah, yeah)
You got me in the mood (yeah, yeah, yeah, yeah)
So come on, make your move
And free me

Frees me
Frees me

Whoah, whoah, whoah, whoah, whoah, whoah, whoah, yeah
If you're in love
Come on
Let me hear you say, oh yeah!
'Oh yeah!'

If you're in love
Let me only
All hear you say, hell yeah!
'Hell yeah!'

Well, if you're in love
Come on
Let me hear you say, whoah yeah!
'Hell yeah!'

Free, ah, yeah

Cuz you make me feel wild (yeah, yeah, yeah, yeah)
You touch my inner child (yeah, yeah, yeah, yeah)
You got me in the mood (yeah, yeah, yeah, yeah)
So come on, make your move (yeah, yeah, yeah, yeah)
And touch my inner child (yeah, yeah, yeah, yeah)

You touch my inner child (yeah, yeah, yeah, yeah)
You touch my inner child (yeah, yeah, yeah, yeah)
Child (yeah, yeah, yeah, yeah)
Child (yeah, yeah, yeah, yeah)
Yeah, yeah ahhhh, yeah, yeah (yeah, yeah, yeah, yeah)
Ohooohhooohh
