Justin Jesso

We were sitting by the water  
You tied my sweater 'round your neck, and you said  
Can we go and get some bread from the corner store  
And be back for a picture of the sunset?

Always chasing the light when it's fading out  
Always fearing the times when we're missing out  
But when you look in my eyes like you're looking now  
And you ask what's next

If you're gonna hold me, hold me under  
If you're gonna let me, let me drown  
If you're gonna break my heart in pieces  
You better leave the pieces on the ground  
If you're gonna take off, I can take it  
'Cause I'm living all or nothing now  
Make it so I never have to wonder  
Hold me, hold me under

Hold me under  
Hold me under  
Hold me under

I know life is full of questions  
And my answer's never perfect, but I'll try  
I don't know if it's forever  
But if it was I wouldn't mind

Always chasing the light when it's fading out  
Always fearing the times when we're missing out  
But if you look in my eyes like you're looking now  
And you ask what's next

If you're gonna hold me, hold me under  
If you're gonna let me, let me drown  
If you're gonna break my heart in pieces  
You better leave the pieces on the ground  
If you're gonna take off, I can take it  
'Cause I'm living all or nothing now  
Make it so I never have to wonder  
Hold me, hold me under

Hold me under  
Hold me under  
Hold me under

Hold me under  
Hold me under  
Hold me under

If you're gonna hold me, hold me under  
If you're gonna let me, let me drown  
If you're gonna break my heart in pieces  
You better leave the pieces on the ground  
If you're gonna take off, I can take it  
'Cause I'm living all or nothing now  
Make it so I never have to wonder

Hold me, hold me under
