Justin Nozuka

I'm a rush down buyer
I'm the head of the table
Common hey all day
If you listen to Abel
Not a rolling nine cloud
Not a dream nor a fable
I was sitting downtown
Watching who knows on cable

I was waitin' online for a minute
All that's taken and given
Watchin' kids on a bridge they were flippin'
Let all that none sense be ridden

Bent my mind for a minute
