

Golden Train

Justin Nozuka

Don't you wake up yet
Give me some time
To watch you asleep
Oh angel of mine
And I would be fine, as long as you're near me
Oh angel of mine

But tomorrow if a golden train came to take you away,
Would you go or would you stay
Here in this cozy room just me and you
Cuddling and kissing, making sweet love,
Shooting star wishing and watch the sun come up
And then we'll sleep all day
Meet in our dreams and live life our way
Drop it all off and we'll fly away,
Dip through the stars and wake up slowly

Oh one thing I know for sure
Is my love for you is deeper then any root or stone,
Mamma told me so,
Don't walk the streets alone
