

Lay Down

Justin Nozuka

I don't know anyone so forward
You don't need answers or no words
Come right to me and collect an embrace
Let me make your world
(I'm at a loss)
I don't know what I did to deserve you
These summer nights
When we can move together

Watch me fly babe
Ain't even tryin' babe
I wanna, I wanna some more
Let's lay it down babe
I'll lay you down babe
I wanna, I wanna some more

I wanna make love
Make love to you girl
Ya I wanna make love
Make love to you girl

Take it all off and show me your flowers
Turn off your phone we'll be a few hours
I'm layin' it out for better or worse
Don't give me no space
I don't know what I did to deserve you
(These summer nights
When we can move together)

Watch me fly babe
Ain't even tryin' babe
I wanna, I wanna some more
Ya let's lay down babe
I'll lay you down babe
I wanna, I wanna some more

Watch me fly babe
Ain't even tryin' babe
I wanna, I wanna some more
Ya let's lay down babe
I'll lay you down babe
I wanna, I wanna some more

I wanna make love
Make love to you girl
Ya I wanna make love
Make love to you girl

I wanna make love
Make love to you girl
Really wanna make love
Make love to you girl
