

# THIS DREAM

Justin Nozuka

Looks like I lost this time  
Try to be brave watch it all unwind  
I can't take the weight though  
I feel so unstable  
Like I live in a lie

Looks like I lost this time  
Try to be brave watch it all unwind  
I can't take the weight though  
I feel so unstable  
Like I live in a lie

This street  
Ain't what it seems  
Gold plated tears  
I'm losing me  
I'm losing me

Looks I lost this time  
Try to be brave watch it all unwind  
I can't take the weight though  
I feel so unstable  
Like I live in a lie

This street  
Ain't what it seems  
Gold plated tears  
I'm losing me  
I'm losing me
