

Fiend

Justin Stone

Yeah, from the light to the dawn
I'ma, I'ma, I'ma get it 'til it's gone
I'm a, I'm a, I'm a fiend for applause
Bravo, bravo, I'm a G, oh my gosh
Yeah, from the light to the dawn
I'ma, I'ma, I'ma get it 'til it's gone
I'm a, I'm a, I'm a fiend for applause
Bravo, bravo, I'm a G, oh my gosh

Yeah, no more yada yada
Y'all just talking, got no fear, ain't no problem, problem
Do a show with 20 people like it's 20, 000
Y'all would cancel on 'em, I just turn 'em all into fans
Snag the same girl you do with Yeezys wearing my Vans
You got a label, but how long until you blow your events?
For real, 'cause I'ma hold this to chance
Yeah, I'm vocal 'bout my independence, live off my rent, yeah

Yeah, from the light to the dawn
I'ma, I'ma, I'ma get it 'til it's gone
I'm a, I'm a, I'm a fiend for applause
Bravo, bravo, I'm a G, oh my gosh
Yeah, from the light to the dawn
I'ma, I'ma, I'ma get it 'til it's gone
I'm a, I'm a, I'm a fiend for applause
Bravo, bravo, I'm a G, oh my gosh

I been added to The Noise
Everyday I'm making hits, I do it for the boys
Do it for the baddies on the 'gram
I don't even know 'em, but they follow who I am, yeah
So I slide right in
You are fire, baby, and that's all I say
She say where you from, North L.A., crazy world, that's where I stay
So I gotta addy now, I'm in the Uber on the way

Yeah, from the light to the dawn
I'ma, I'ma, I'ma get it 'til it's gone
I'm a, I'm a, I'm a fiend for applause
Bravo, bravo, I'm a G, oh my gosh
Yeah, from the light to the dawn
I'ma, I'ma, I'ma get it 'til it's gone
I'm a, I'm a, I'm a fiend for applause
Bravo, bravo, I'm a G, oh my gosh

I'm a G, oh my gosh
I'm a G, oh my gosh
From the light to the dawn
I'ma, I'ma, I'ma get it 'til it's gone
I'm a, I'm a, I'm a fiend for applause
Bravo, bravo, I'm a G, oh my gosh
