(You can find me in the, you can find me in the)  
(You can find me in the, you can find me in the, in the)  
Trees  
She don't really see it but a player's got some needs  
Hey girl I'm 'bout it if your 'bout it, keep it low key (ay, ay, get that)  
Said, I could drive a daddy's Lambo, baby, I just need the keys, yeah (yeah)  
Trees, yeah yeah, ay ay

She's 22 and I've had Adderall  
She wanna get high, don't wanna come down  
Girl, I be on the same shit, yeah  
Everybody talk about us now  
Ace on me, tab my neck  
If you talk shit, just save your breath  
Curve that chick, get left on read  
It's money over women  
Pop that bottle cause we winning now  
Pop that bottle cause we winning now  
Pop that bottle cause we winning now  
(Ace on me, tab my neck)  
(If you talk shit, just save your grip)  
Got those roots that you left  
(Curve that chick, get left on read)  
Got those roots that you left  
(It's money over women)  
Got those roots that you left, in the, in the

Trees  
She don't really see it but a player's got some needs (oh yeah, oh yeah, oh yeah)  
Hey girl I'm 'bout it if your 'bout it, keep it low key (ay, ay, get that)  
Said, I could drive a daddy's Lambo, baby, I just need the keys, yeah (yeah)  
Trees, yeah yeah, ay ay

I do this with ease (yeah)  
If she don't hit me back she feel the breeze  
Stay the night, she wanna steal my tease  
So even when I'm gone, she sleep with me  
Hate these roots that you left  
I would cut them if I could, yeah  
I would cut them if I could  
If my ex doin' fine, I'm doin' great  
Yeah, we both know we live a different pace, in the

Trees  
She don't really see it but a player's got some (needs)  
Hey girl I'm 'bout it if your 'bout it, keep it low (key)  
Said, I could drive a daddy's Lambo, baby, I just need the  
(I just need the) Find me in the, find me in the  
Find me in the trees  
She don't really see it but a player's got some needs  
Hey girl I'm 'bout it if your 'bout it, keep it low key  
Said, I could drive a daddy's Lambo, baby, I just need the keys, yeah  
Trees, yeah yeah, ay ay
