

Validation

Justin Stone

Yeah, validation
My girl say I keep exceeding expectations, yeah, yeah
(I do, I do, I do)
Need me now? What's that location?
Been down for you from the jump, forget patience, yeah, yeah, yeah
(No way, no way, no way)

Validation
My girl say I keep exceeding expectations, yeah, yeah
(I do, I do, I do)
Need me now? What's that location?
Been down for you from the jump, forget patience, yeah, yeah
(No way, no way, no way)

BAPE on, no wetter tee (wet)
Pray to God for a better me (yeah)
Pray to God for a better girl
Finally came when I let it be (ride that)
Let it go a bit, we out
Bring me down a bit, like, "Wow"
No cannabis, but they burn and smoke 'cause we loud
Yeah, we loud, 'bouta bump
From the chorus to the close
Little shawty looking flawless when she wearing all my clothes (she do)
Watch a lot of people peak, that's just how it goes (uh-uh)
Yeah, yeah, that's just how it goes

Validation
My girl say I keep exceeding expectations, yeah, yeah
(I been rockin', rockin')
Need me now? What's that location?
Been down for you from the jump, forget patience, yeah, yeah, ay
(No way, no way)

Validation, cop that Benz (cop that Benz)
Validation, post that pic with me (post that, post that pic)
Validation, buy some BAPE (buy that BAPE)
Inside I feel empty, what you think? (Feel empty, yeah)
Validation, cop that Benz (cop that Benz)
Validation, post that pic with me (post that, post that pic)
Validation, buy some BAPE (buy that BAPE, yeah)
Inside I feel empty, what you think?

Validation
My girl say I keep exceeding expectations, yeah, yeah
(I know I do)
Need me now? What's that location? (Yeah, yeah, yeah)
Been down for you from the jump, forget patience, yeah, yeah, ay
(Uh-uh) Validation (uh-uh, yeah)
My girl say I keep exceeding expectations, yeah yeah (uh-uh)
Need me now? What's that location?
Been down for you from the jump, forget patience, yeah, yeah

Uh, I'm on her way, she knows
Tryna get close now
In a couple months I'm about to blow
Runnin' out the door (door)

Yeah, tellin' me don't go (go)
Wait on me and go slow (slow)
Pump the breaks? I think no
Validation
Say my name (say my, say my, say my)
Validation (yeah)
Cop that chain (cop that, cop that)
I got the drive (skrrt!)
Stay in your lane (yeah, yeah!)
Feelin' alive (yeah, yeah!)
They feelin' the way
They thought I woulda gonna quit by now (quit right now)
Who woulda knew I'd be the one with all the hits right now? (Hits right now)
In the studio and everybody else lit right now (lit right now, yeah!)
She said I'm the only one she really miss right now (miss right now, yeah!)
I still need, I still need
(Oooh!)

Validation
My girl say I keep exceeding expectations, yeah, yeah
(I do, I do, I do)
Need me now? What's that location?
Been down for you from the jump, forget patience, yeah, yeah
(No way, no way, no way)

Validation
My girl say I keep exceeding expectations, yeah, yeah
(I do, I do, I do)
Need me now? What's that location?
Been down for you from the jump, forget patience, yeah, yeah
