

# Ain't Glad I'm Leaving

Justin Townes Earle

I take my time comin', take my time a-leavin'  
If you ask me why I'm goin', I'll tell you when it's needed  
Oh, you know I'll never be the one you need  
If you ain't glad I'm leaving, girl you know you oughta be

'Cause I lie, cheat, and gamble, I steal from many men  
Georgia to Los Angeles, Texas up to Maine  
I'm a wanted man  
Is that the kind of life you want to live? (Wanna live)  
(Life you wanna live)  
If you ain't glad I'm leaving, girl you know you oughta be

Here I go

So what's a girl like you, want a man like me (Like me, man like me)  
Never know what I'm gonna do  
You never know where I'll be (I'll be, where I'll be)  
Right now, baby, it might seem wrong  
But you wake up in the mornin', thankin' to your Heavens that I  
'm gone

Oh, so don't take it too bad, ain't nothing you could do  
I never fall in love, I always keep it on the move  
It's just my way  
It don't mean it's mean (Mean, mean didn't mean a thing)  
If you ain't glad I'm leaving  
Girl, you know you oughta be (Oughta be, know you oughta be)  
If you ain't glad I'm leaving  
Girl, you know you oughta be (Oughta be, girl you oughta be)
