

Take That Pic

Justina Valentine

Get my good side
Put the, hold up, put the flash
Oh yeah, you definitely need the flash, that's a fact
You wanna look good, you wanna look bad, okay (be one hundred), uh

Show that ass (show that ass), click (click), flash
Take that, take that, pic
Show the cash (cash), click, flash
Take that, take that, pic (take that pic)
And if you styling then go ahead and take that pic (pic, pic)
And if they wilding then you know you hella lit (you hella lit)
Tell a hater they can go jump off your dick (jump off my dick)
All my fly bitches, all we hear is flash, click (flash, click)

I see some bitches in my section, they ain't giving it up (haha)
I see 'em staring at my Rollie, they can't get it like us (like us)
Only the strong survive, I don't need to say that they weak (uh-uh)
Me, I fly high, every single day of the week (that's a fact)
I keep it lit lit (lit), hi hater (hello)
I could tell I make you sick sick (sick)
No wonder they try and hide, they on my dick dick (my dick)
I tell them to try they luck just like a Pick 6 (yuh)
Bitch quit (now show that)

Show that ass (show that ass), click (click), flash

Tell a hater they can go jump off your dick (jump off my dick)
All my fly bitches, all we hear is flash, click (HD)

Shorty, you so sexy, girl I'm tryna get a pic of you
You been on my mind, I swear to God I can't get rid of you
Holding on your status but I know I'm tryna be with you
All these yellow diamonds, swear to God, I feel like Pikachu (over here)
Money good, I spend a bag if I like it
Shorty bad with some swag, she gon' gag when she bite it (ay)
And she got the mango, she gon' snap it up the right way
Slapped her on the ass and then I told her, "Have a nice day"

What's your name? (What's your name?) Where you from? (Uh?)
What's your at? (I ain't telling) Are you dumb? (Are you dumb?)
What's your sign? (What's your sign?) Where you stay? (Where you stay?)
I'll get you popping if I post you on my page (know that)

Yeah, get me right, get me right
Oh nah, what you take, two?
Yeah nah, I'm gonna need about like ten or twenty more, at least
Yeah, don't get tired, just work those angles

Work it, work it, work it out, yeah
Work it, work it, work it out
Get my good side, get my good side
Flash, flash, flash, flash, click
Make me look good
This is going on the 'Gram
I might send it to my man
Hahahahaha, okay
