

The Way I Am

Justina Valentine

Yeah

So now when they talk about the dopest female rappers, they are going to mention me

I write all my own motherfuckin' shit

And matter fact, I don't even need to write 'cause my freestyle's that fuckin' hot

Comin' now

Now let me break it down and spit some facts

You have no idea what I did to get where I'm at

I been to hell and back and I'on mean to throw a pity party

But anybody could see I slayed a lot of my haters

Yeah, I got plenty bodies (haaa)

When everyone was talkin', they was scared I'd be so important that it would overshadow anything

[?] in three life times (hehe)

They never saw it comin', what I had in my pipeline (ah)

It was so hard to get to these doors and twist the knob

By the way, what's your face, yo how's your office job? (hehe)

I hope every time you staple a paper or sit in a meetin'

This song'll have you meanin' how you almost defeated this spirit that's as bright as mine

That's so hard to find (hard to find)

I used the rocks they threw at me, blew up like Columbine

Labels adjust, so confused like what does she do?

Does she rap, or sing rhythm and blues?

No money behind her, they was scared to sign her

Can't get that vagina or slide in behind her

If she ain't go out and go get that [?]

That's 'cause she's a real artist, she won't be a mascot

And who is this white girl that say that she freestyle?

That can't be a freestyle, I never heard a freestyle

That's fire like that, I mean she can rap

But nah, we won't notice or say she's the dopest

But I am, that's focused (who's focused)

With tears in my eyes and no one to my side

I embarked on the ride that I knew one day could come true

'Cause when you that nice, they can't stifle your life

Forever, whatever, it took me some time to get with this

So [?] in the business or money to buy [?]

But fuck it, I did it

I lived it, I built it, I took the whole [?] and I killed it

And rose from the ashes, I came from debris

I'm a Phoenix on the rise, there's no bitterness in me

And now I got zero fucks to give about how I live

About how to be, ironically

I remember the time, not a single fuckin' soul believed it was mine

Let me say it again, not a single percent in that cut like a knife

But fuck it, that's life

And I am whatever you say I am

If I wasn't, then why would I say I am?

In the paper, the news, every day I am

Radio won't even play my jam

'Cause I am whatever you say I am

If I wasn't, then why would I say I am?

In the paper, the news, every day I am

I don't know, it's just the way I am

And I am whatever you say I am
If I wasn't, then why would I say I am?
In the paper, the news, every day I am
Radio won't even play my jam
'Cause I am whatever you say I am
If I wasn't, then why would I say I am?
In the paper, the news, every day I am
I don't know, it's just the way I am
I don't know
Know, know, know
I don't know, I don't know
I don't know, I don't know
