

Weinstein Way (Skit)

Justina Valentine

Yo?

Yes, hello, can I speak to Justina, please?

Hello

Hey, how are you?

This is Andrew Rosenberg, A&R

I listened to your album

And I have to say it's quite, uh

A turtle, a scared turtle mode

If you don't know what that means

It means that my penis went inside of my body listening to your music

I just wanted to let you know that

So, what I'm trying to explain to you is your music is a wreck

I just found more use of using it to crush my marijuana on your CD

More than I did to listening to it

I don't think women should be in this realm, okay?

I'll be honest with you, every woman that I've worked with, it.

..

It has not worked, okay? It's unworkable

So I just want to let you know that

Thank you for it - you have some sweet tits

But your music is just, it's. Yeah, okay?

Uh, unless, unless

Unless you'd like to work something out with me

Um, we have a plan called the, "The Weinstein Way"

And um, The Harvey Weinstein Way

So I have to hide my sausage in your funhole

And if I can hide my sausage in your funhole

Then maybe I can, and, and we can work on something

How does that sound?

Fuck off
