

Back Talk

Justine Skye

I'm seeing people talking
But they ain't saying nothing
No, no
And if you got a problem
Then you don't got to watch me, don't look
Why you frontin', like you know me
Tryna hate but really wanna be my homie
Y'all faking, but I'm trill
So when you see me you already know the deal

You think you bad, but chu don't want it
Why you tripping out when I ain't even on it
I put my index up middle finger follow, hit the thumps up

I'm the best dressed when I step up in the party
Cruel military cause you messin' with the army
They can never see me cause I'm way too fly
And I murder them, mur-murder them
Bout to get ya body til somebody call the coroner
Stone cold killer can't say I never warned ya
They can never see me cause I'm way too fly
And I murder them, mur-murder them
I'm killing it, yeah I'm killing it [x3]
(Murderrr)

I'm tryna live, what's wrong with that?
See all y'all haters just tryna get to where I'm at
Cause I'm the new ish, your the old news
You either with me or you ain't, you gotta choose

I'm the best dressed when I step up in the party
Cruel military cause you messin' with the army
They can never see me cause I'm way too fly
And I murder them, mur-murder them
Bout to get ya body til somebody call the coroner
Stone cold killer can't say I never warned ya
They can never see me cause I'm way too fly
And I murder them, mur-murder them

Murder them, mur-murder them, murrrrrrrrr
Murder them, mur-murder them, murder them, murr-murrrrr
Murder them, mur-murder them, murder them, murrr-murrrrr
I'm the best dressed, I'm the best
I'm the best dressed, I'm the best
I-I-I'm the best dressed, I'm the best
Murder them, mur-murrrrr
