

Confident

Justine Skye

I'm feelin' myself if you really must know
Can't tell me I ain't killin' it (oh no)
You really should try some of this
I'm confident, I'm confident, yeah
I'm feelin' myself if you really must know
Can't tell me I ain't killin' it (oh no)
You really should try some of this
I'm confident, I'm confident, yeah

Heard you need a friend
You been in your head
Get out there
You should get out there
Time to go again
'Cause it's 8 AM
Get up, yeah
Gotta get up, yeah

It ain't easy
Turnin' on the TV
Can't see why she
Got a lotta money, yeah
"Better than me"
You shouldn't let it bring you down
And out, yeah, 'cause

I'm feelin' myself if you really must know
Can't tell me I ain't killin' it (oh no)
You really should try some of this
I'm confident, I'm confident, yeah
I'm feelin' myself if you really must know
Can't tell me I ain't killin' it (oh no)
You really should try some of this
I'm confident, I'm confident, yeah

Maybe you just gotta take it
Time and time again, you've waited
Yellin', screamin', wanna let it out
Baby, you just gotta sweat it out

Up in the gym like a 9 to 5
And you're workin' overtime just to get it right
Nothin' they could tell you now, no, they can't deny
They can't dim my light, 'cause

I'm feelin' myself if you really must (woo) know
Can't tell me I ain't killin' it (oh no)
You really should try some of this (yeah)
I'm confident, I'm confident, yeah
I'm feelin' myself if you really must know
Can't tell me I ain't killin' (yeah-yeah-yeah) it (oh no)
You really should try some of this (yeah)
I'm confident, I'm confident, yeah

Yeah-yeah-yeah
Yeah-yeah-yeah
Yeah-yeah-yeah

Confident, I'm confident, yeah-yeah
Yeah-yeah-yeah
Yeah-yeah-yeah
Yeah
Confident, I'm confident, yeah-yeah
