

# Flames

Justine Skye

Luh ya luh ya luh ya luh ya luh ya  
Yeah yeah yeah yeah yeah  
Luh ya luh ya luh ya luh ya luh ya  
Yeah yeah yeah yeah yeah

You can't lie  
Every time you try  
You keep on coming back to me  
I don't know how to act  
Don't know why, fire  
Don't give away what's mine  
Tonight I draw the line

Celebrate, like it's your birthday  
I got your favorite cake  
With your name on it  
I'm gon' participate  
Sing on it  
Bring your camera, babe  
I'mma put some flames on it

Boy, I think I love you  
Boy, I think I love you (boy, boy, boy)  
I love you I love you I love you I love you  
Boy, I think I love you  
Boy, I think I love you (boy, boy, boy)  
And she will never be this sweet  
You'll never get from her what you getting from me oh baby  
'Cause I love you, I love you (I think I love you)  
Hey now, I love you I love you (I love you I love you I love you I love you)

Come here, babe  
Settle down  
Tell me what you need and I'll be there right now  
'Cause I'll do anything  
And I'll do everything  
Yeah, I just wanna be the little thing in your dreams  
So yeah

Celebrate, like it's your birthday  
I got your favorite cake  
With your name on it  
I'm gon' participate  
Sing on it  
Bring your camera, babe  
I'mma put some flames on it

Boy, I think I love you  
Boy, I think I love you (boy, boy, boy)  
I think I love you  
Boy, I think I love you (boy, boy, boy)  
And she will never be this sweet  
You'll never get from her what you getting from me oh baby  
'Cause I love you, I love you (I think I love you)  
Hey now, I love you I love you (I love you I love you I love you I love you)
