Justine Skye

We could be, whatever baby  
We could be, whatever baby  
I just wanna rock with you all night  
Baby I'll ride with you till I die  
I'll give it all up for you, Voilà  
And every bad boy needs a girl to hold her down  
Ooooh  
Be no other  
Let me be your only lover  
I'll be the one; I'll be the one for you  
Ooooh

I'll be the one; I'll be the one for you  
You oh

I'm just trying to keep it real  
I'm just trying to keep it real  
Tell you how I feel, tell you how it is  
I ain't no shit?  
No pill popping  
But we can light this love up blunt spark it  
Batman, Robin  
We mobbing  
Michelle Obama, even after we leave office

Ooooh  
Be no other  
Let me be your only lover  
I'll be the one; I'll be the one for you  
Ooooh

Intelligible

I'll be the one; I'll be the one for you  
You oh

I'm just trying to keep it real  
I'm just trying to keep it real  
Tell you how I feel, tell you how it is  
I ain't no shit?  
No pill popping  
But we can light this love up blunt spark it  
Batman, Robin  
We mobbing  
Michelle Obama, even after we leave office

Boy I need you  
They won't  
I'll see  
They don't  
I'll be there  
Whenever  
You know they won't  
I love your way  
I love your face  
Your kiss  
Your touch

You mean so much

I'm just trying to keep it real

I'm just trying to keep it real

Tell you how I feel, tell you how it is

I ain't no shit?

No pill popping

But we can light this love up blunt spark it

Batman, Robin

We mobbing

Michelle Obama, even after we leave office
